Saturday, 29 August 2015 09:39

During the closing ceremony of the U16 Chess Olympiad in Ulaanbaatar, an agreement was signed by Yadamsuren Sarjmyatav MP, boosting the number of FIDE Premium Student Members by a record breaking 10,184!

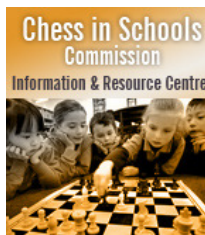

This Chess in Schools development should make it into the Guinness Book of Records.

The Mongolian Chess Federation has been extremely active since the election in May of CIS Secretary Sainbayar Tserendorj as its new President.

Chess in Schools is making huge strides in Mongolia. A Chess in Schools workshop for FSCT (FIDE School Chess Teacher) was also held during the Olympiad, with 29 keen attendees, all of

whom worked hard.

At the end of the workshop, 25 of the attendees undertake the exam for the FSCT Diploma. Results to be announced soon.
